

MINISTRY OPPORTUNITIES AT CHURCH OF THE RESURRECTION

At Church of the Resurrection, our mission is to love God and serve the city as a growing community of disciples. As part of our discipleship, we believe that we are called to give our entire lives to God, including the way we use our time and talents.

We are also a church family; this means serving one another, whether that be through leading a RezGroup, helping out with hospitality, or preparing the Lord's Table. We serve in ways that may provide a sense of fulfillment, and we serve in ways that aren't always a lot of fun, but just need to get done, and may bring joy to one so gifted, such as cleaning up after a parish-wide event.

There are many ways to give of our time and talents, both inside the church and out. The following are some of the ways you can serve at Rez. With questions about a particular ministry or to get started helping in an area, email the contact person for the ministry listed. With general questions, email the Parish Administration, Hrvoje Budimir, at hbudimir@rezchurch.org
